EYNSFORD CONCERT BAND

Eynsford Concert Band was formed in 1972 as a local community band. From humble beginnings, featuring a handful of keen musicians eager to share their talents, the band has blossomed into an enthusiastic and highly motivated fraternity, entertaining audiences world-wide including Malta, Canada, Cyprus, Austria, Spain and Germany, and nearer to home the Royal Albert Hall with the London Philharmonic Orchestra and several concerts at the Queen Elizabeth on the South Bank. The Band's diverse variety of inspired music encompassing both the popular and classical, coupled with sheer enthusiasm has enabled them to produce a first class CD entitled "By the Ford", copies of which are available during the interval. The Band was invited to play in Birmingham for the Atherton Choral Society's Christmas concert, to an audience of some nine hundred. We hope you have enjoyed tonight's performance and look forward to the day we return.
