

Eynsford Concert Band

The Doncaster Concert Band was formed in 1993 and enjoyed it's first contact with the Eynsford Concert Band in 1994.

Members of Eynsford visited Doncaster and a joint rehearsal weekend/social evening followed by a concert at Priory Church was enjoyed by all.

Although individual members of DCB remained in contact and in some cases joined Eynsford on successful international tours. Full band participation was not enjoyed again until 2002. (The intervening years had passed seemingly all too quickly)

DCB visited Eynsford in the spring of 2002 and again took part in a rehearsal weekend/social evening with a sell out concert at the wonderful 'Mick Jagger Centre' in Dartford, Kent.

There followed joint visits to Malta in 2002 and 2003 to that Island's renowned international music festival with a revisit planned for April 2005.

Some readers may remember a TV documentary in the late 90's which featured Eynsford and it's band. It is remarkable that such a relatively small town can boast a successful band of this type and it is a credit to the drive and sheer hard work of it's members that this is the case.

It is a pleasure to welcome them back to Doncaster and to repay their efforts with some Yorkshire hospitality (real beer).

Sit back and enjoy Concert Band music played to a very high standard. Of course not forgetting to help our cause by digging deep for the obligatory raffle.
