"London is a bad habit one hates to lose".

A message from our Chairman.....

First of all, I would like to start by offering a very warm welcome to you this evening, especially if this is the first time that you have attended one of our concerts.

This is a very exciting time for our band, as we go from strength to strength under the leadership of John Hutchins. Last year, we enjoyed a highly successful cruise around the Norwegian fjords, whilst providing some of the entertainment on-board the Fred Olsen liner "Black Watch", and we are delighted to have been invited back by Fred Olsen to cruise again with them in August of next year around the Mediterranean.

Last autumn we received a Gold award in the regional heats of the National Concert Band Festival, the highest accolade achievable.

This year marks the tenth anniversary of the sad passing of our founder, Robin O'Connell, and to mark this we are raising money during 2007 for cancer charities. We will be organising a number of events during the year, full details of which will be published on our website at www.eynsfordconcertband.co.uk

I hope you all enjoy our concert this evening, and look forward to seeing you again in the future.
